Commencement Notes

The history of academic dress reaches far back to the early days of the oldest European universities. In England, in the second half of the 14th century, the statutes of some colleges forbade “excess in apparel” and prescribed the wearing of a long gown. Gowns may have been necessary for warmth in the unheated buildings frequented by medieval scholars. Hoods may also have served to cover the tonsured (i.e., shaved) head until they were superseded by scull caps, which were later replaced by headdresses more like those recognized today as “academic.”

Today, academic garb has symbolic rather than practical application. Some universities have their own cap and gown designs, while most defer to traditional black. The size of the academic hood denotes the progression of academic degrees: bachelor’s, master’s, doctorate.

The color of the hood denotes the field of academic study. The color of the inner lining of the hood reflects the colors of the institution from which one’s degree was earned.

Graduati Honoris Causa

Jennifer Coolidge

Originally from Boston and born in Norwell, Massachusetts, Jennifer Coolidge is an award-winning American actor and comedian known for her scene-stealing, iconic roles and her comedic timing. In addition to attending Emerson, she studied at the American Academy of Dramatic Arts in New York City and was a nine-year veteran of The Groundlings comedy troupe in Los Angeles.

Coolidge currently stars opposite Jack Black and Jason Momoa in Warner Bros' box office hit *Minecraft*, directed by Jared Hess, which premiered in April 2025. The film is based on the bestselling video game of all time, with 300 million copies sold and nearly 140 million monthly active players.

She also can be seen in Dito Montiel's *Riff Raff* opposite Bill Murray, Ed Harris, and Lewis Pullman, which premiered in February 2025.

Coolidge recently garnered critical acclaim for her portrayal of the fan-favorite character "Tanya McQuoid" in HBO's *The White Lotus*. Her portrayal earned her multiple award wins and nominations including a Primetime Emmy Award, Critics Choice Award, Gotham Award, Screen Actors Guild Award, and a Golden Globe.

Coolidge is known for her iconic roles in *American Pie*, *Legally Blonde*, *Best in Show*, *Promising Young Woman*, and the critically acclaimed series *The Watcher*.

In 2023, she was included in the annual *Time 100* list of the most influential people in the world.

She is also an animal activist, has performed on Broadway, and toured her standup act in front of live audiences.

Margaret "Peggy" Ings, BFA '75

Margaret "Peggy" Ings is the vice president for government and community relations at Emerson College. After three decades of service to the College, Ings will retire at the end of June 2025. As VP, she serves as the College's liaison for communications among municipal, state, and federal agencies in Boston and LA. During her time at Emerson, she has collaborated closely with the City of Boston and various state and federal agencies to secure permits and approvals for numerous building projects. She also participated in the restoration and renovation of the College's three historic public-facing theaters, which have won over 15 National Historic and Preservation Achievement Awards.

Throughout her storied career, Ings has established countless strong working relationships with abutting and surrounding neighborhoods. She currently serves as a Board member of the Friends of the Boston Common and Public Garden, as well as the Downtown Boston Alliance. Additionally, she co-leads the Downtown Boston Neighborhood Association and is a member of the Chinatown Safety Committee.

Prior to her position at Emerson, Ings was the coordinator of the Midtown Cultural/Theater District in the Economic Development Department at the Boston Redevelopment Authority. She holds MS degrees in healthcare management and arts administration from Lesley College and a BFA in Dramatic Arts from Emerson College.

* Anticipated 2025 Graduate

Appearance of a name in the Graduate Hooding Ceremony Program is presumptive evidence of graduation but is not regarded as conclusive. The official Emerson College transcript, sealed and signed by the Registrar, is conclusive testimony of a student's academic record and possession of degree(s) awarded by Emerson College.

Alma Mater

O Alma Mater, dear,
thy name we praise,
Our voices love inspired
to thee we raise,
And we will cherish thee
in days to come,
And think with loving
hearts of Emerson.
Yours is the highest art,
a shining goal,
You are the star of each
and every soul,
And all your children's
hearts they beat as one,
We love thee Alma Mater, Emerson.
